

Graphics Exercise: Using Images, Graphics and Text to produce posters/covers

1. You need to create a cover for a Course Report. Include the following information
 - Report Title
 - Your Name
 - Course Title
 - Appropriate Images/Graphics
2. Do a simple mock up of how you want your cover to look, think about colour schemes, Fonts, Size and Positioning of Text and Graphics
3. Insert the Text, Graphics and Images that you want
4. **Save** and **Print** one copy before you begin any formatting
5. Use Font, Size, Alignment etc to enhance the Layout of your text
6. Re-size and format your images as required.
7. **Save** and **Print**. You should have **3 `documents`** for your folder

If you have time, design, layout and format a cover for your Portfolio
