28<sup>th</sup> June 2001

Dear Mrs Ryder

Thank you for sending your brochure and price list of novelties and fancy goods.

I am secretary of the local branch of "The Friends of Nature Society" and we are interested in purchasing some goods for our fund-raising campaign.

We would like to know if it would be possible to have our society logo engraved on some of your goods. It is a beaver in a circle with the words "Friends Of Nature" going round the outer edge.

We would be particularly interested in the range of tailor-made sweatshirts you have on offer, provided the logo could definitely be printed on these garments.

I look forward to your reply.

Yours sincerely

Betty Smithers  
Secretary
